COLLEGE DINNER FOR GUESTS

Subfreshmen Attend Dinner in Commons—Speeches by Faculty and Undergraduates—Musical Numbers, Monologue, and Show Entertain.

MANGAN, '94, SPEAKS

The subfreshmen guests of the College were entertained last night at a college dinner in Commons Hall. Members of the faculty, Mangan, '94, and various undergraduates spoke. Several vaudeville numbers were also presented.

President Ferry, as first speaker, impressed upon the men the value of a college education. He also made special mention of the public speaking courses offered at Hamilton and of the recent success in debating. Doctor Bonham, when called upon, gave a short address of welcome to visiting men. Doctor Chase followed with an admonition to the visitors not to succumb too easily to the courtesy shown them on the Hill. He emphasized the fact that our entertainment was primarily to give them a taste of college life and not just to make them come to Hamilton.

"Tom" Mangan, '94, laid stress upon the scholastic and social side of Hamilton life. He also stated that Hamilton has always held the unique position of being a man's place for men.

Four short speeches by the undergraduates followed. Campbell, '21, spoke of the football prospects; Kaiser, '21, of the recent increase in activity in winter sports; Johnson, '20, of athletics in general, and Van Kennen, '21, of the undergraduates' devotion to Hamilton.

After the speeches, the Instrumental Club furnished music, and its members won much applause.

"Zip" Griffith gave one of his rambling impersonations. His act won much favor and was heartily applauded.

Schwartz, '20, with his saxophone, and Pritchett, '21, at the piano, gave the audience some jazz music. They were called back for several encores.

"The three P's," Paton, Peters, and Pritchett, presented several of their selections. Their music and humor composed one of the best acts of the evening.

The freshmen D. T. pledges put on an amateur burlesque, entitled "The Rose of Washington Square," which made a big hit.

The College Quartette, composed of Peters, '20, Paton, '21, Pope, '22, and Burns, '22, sang some very pleasing songs. Pope substituted for Calkins, '20, who is in Philadelphia.

The dinner closed with the singing of "Carissima."

WOOD IS SECOND CHOICE

The Hamilton College Hoover Club held a straw vote last Thursday, polling the opinions of both the faculty and undergraduates on the various candidates for the presidency. The results were as follows:

The Faculty vote: 36 votes were cast, 25 by members of the Republican party, 7 by Democrats, and 4 by Independents. Hoover led in the first choice, with 31 votes, Wood being second with 3 votes. On the second choice ballot, Hoover led with 8 votes, Wood received 6, McAdoo 5, and Lowden and Johnson 4 each.

The Undergraduate vote: 243 votes were cast, 112 by voters, 131 by non-voters. 167 were Republican sympathizers, and 26 Democratic. 50 were Independents. In the first choice, Hoover led with 134 votes, Wood receiving 60. Johnson received 20 and Lowden 10. Wilson and Bryan each received one vote. In the second choice, Wood led with 69 votes, Hoover received 49, Johnson 33, and Lowden 22. Edwards, McAdoo, Hughes, Coolidge, Nicholas Murray Butler, Harding, and Bryan also had some supporters. Knox, Palmer, Taft, Brick Blake, Trotzky, and Hylan each received one vote.

BUFFALO YOUTH WINS CONTEST

Charles Alessi of Hutchinson-Central High School Awarded Interscholastic Speaking Prize.

TWELVE MEN SPEAK

The Twenty-first Interscholastic Contest in Declamation, in which the representatives of twelve schools took part, was held in the College Chapel this morning, May 8, at 11 o'clock. This contest will compare well with any others that have been held on the Hill in recent years. The quality of the speaking was so uniformly good that many of those present were unable to pick the probable winners in advance of the reading of the judges' decision.

The faculty was represented on the committee of judges by Professors Lewis, Fitch, and Ristine; the Board of Regents of the State of New York by the Honorable Thomas J. Mangan, '94, of Binghamton, and Rev. A. I. Keener, pastor of the Stone Presbyterian Church of Clinton made the fifth member of the judges.

Dr. Frederick C. Ferry, President of the College, acted as chairman. Organ solos were given by Thorpe, '20, during the intermission, and while the judges were voting.

The first prize of twenty dollars in gold was awarded to Charles Alessi, of the Hutchinson-Central High School of Buffalo. His declamation was a plea to America to live up to her freedom, with some of the law of conduct which should govern a free nation in its dealings with others. He presented the subject in an intelligent and forceful manner, and showed more interest in what he was talking about than did many of the other speakers.

The second prize of ten dollars in gold went to Sidney Vogel of the New Rochelle High School. Mr. Vogel had a strong declamation on the attitude of the American people toward Germany after the war has been won. He pictured some of the German atrocities, some of the horrors suffered by the men in field, and their families at home. "These are not to be forgotten," he said, "until Germany in some manner expiates her crimes." Mr. Vogel handled his subject very sympathetically and with considerable force.

Honorable mention was given to Edward Kavinoky of the Lafayette High School, Buffalo. His speaking was the most vigorous of the morning, and was characterized by a liberal use of gestures and good dramatic appreciation.

HAMILTON ALUMNUS PRAISED

Editorials Comment Favorably on Senate Speech of Joseph I. France, '95.

The Honorable Joseph I. France, '95, Ph.D., M.D., United States Senator from Maryland, recently made a speech in the Senate concerning some changes in our economic system. He has received great praise in many editorials for the firm stand he took. In commenting on his speech, the New Republic says:

"Senator France has called the country back to its liberties, and forward through those liberties to the changes radically needed in our economic system, in words which make him one of the most appropriate leaders of our country's possible national restoration.

"Senator France, speaking these words to the Senate, went straight through to the great truth that we have, in fact, in this country, a revolution towards arbitrary government, by statute, by bureaucrat, and by mob, and that the first step forward is a Restoration of Americanism.

"Such a restoration Senator France places at its right level—above all personalities, above all parties. He does not speak as a Republican Senator only. He speaks as a Senator of the United States. He says plainly that if his party will not undertake the work of making America American, then some other party must undertake it and bring it to accomplishment.

"Not often in our days has a Senator so explicitly preferred his country to his party. Senator France's speech is really an actually patriotic speech."

—A book review by Samuel Hopkins Adams, '91, appeared in the New York Times of Sunday, May 22.

—Benn Barber, '10, has resigned his position as counsel to the General Cancellation Claims and Contract Board of the United States Shipping Board Emergency Fleet Corporation and has taken the position of District Representative of the Construction Claims Board of the same corporation, with offices at 45 Broadway, New York City.

—"When the Desert Calls," by Donald H. McGibeny, '14, appears in the May issue of The Ladies' Home Journal. Another story written by him will appear in the June number.

—Charles McLouth, Jr., '16, is at the present time connected with the law firm of Sutherland and Dwyer, of Rochester, N. Y.

—S. Stewart Saunders, '17, was recently in Clinton on his spring vacation. He is a student in the Harvard Medical College.

—Norman W. Burritt, ex-'17, is attending the Dentistry College of the University of Buffalo. He was manager of the basketball team there during the season just closed.

—Twenty interesting views of China have been sent to Dr. Frank Hoyt Wood by Paul M. Hamlin, '19, and have been placed on one of the tables in the College Library.

—Marion Cornwall Hastings, wife of Doctor Harold Ripley Hastings, formerly of the Hamilton College faculty, died recently at her home in Baltimore after a long illness.

With the Colleges

—The Cap and Bells, the dramatic organization of Williams College, presented "Stop Thief" on its Easter trip. The club was booked up for performances in six different cities.

—The remains of Colonel Ephraim Williams, the founder of Williams College, are to be transferred from Lake George to Williamstown.

—A movement for the formation of Collegiate Units of the Treasury Savings Organization, originating in the University of Texas, is beginning to spread throughout the colleges of this country.

—The students at Dartmouth recently refused to adopt the honor system by a vote of 578 to 436. Students at Columbia University have recently been debating this same question.

—The students and faculty of George Washington University have not adopted overalls, but they have agreed to wear their present clothes "until they drop off."

—More than 400 students of the freshman and sophomore classes of Clemson College (South Carolina) "struck" and departed on special trains, according to a press dispatch, as a protest against certain restrictions imposed on a cadet who rebelled against "kitchen police."

—The University of Kansas, which has had in the past one of the most successful examples of student government, has recently voted to have two governing bodies hereafter instead of one, the two to co-ordinate as the two houses of a legislature.

—At the March convocation of the University of Chicago, of the 131 degrees conferred, one was conferred on a Greek, one on a Mexican, and one on a Filipino.

—The students of North Dakota Agricultural College made an all-institutional average in all classes for the first semester this year of 79.2 per cent. The average of all the women was 82.5 per cent, of the men 77.8 per cent. Fraternity men averaged 78.1 per cent while non-fraternity men averaged one-half of one per cent lower. Sorority women averaged two per cent higher than non-sorority women.

—Seizing their first opportunity in four years, Oberlin co-eds celebrated leap year by making "dates" with the men of the college. On this occasion the natural order of things was reversed. Women carefully assisted their masculine companions across the puddles and icy spots. In the dining halls the men gallantly allowed themselves to be helped to everything while the girls took the "after you, my dear Gaston" attitude.

—According to Manager Wollsey, Colgate is facing the most strenuous track schedule in the history of Maroon athletics. The schedule includes the Penn Relays, the Eastern intercollegiates, a dual meet with Penn State, and an innovation in the form of a double meet against Syracuse. On May 15 Colgate will journey to Syracuse, and on May 21 Syracuse will return the visit.

—In a recent debate in the Filipino House of Representatives, the English language was used for the first time. The members so participating were graduates of the University of the Philippines.

Subfreshman Day

Hamilton College entertains today about one hundred and fifty subfreshmen. Our visitors get a chance to witness the life of the Hill in its various aspects, morning chapel, classroom work, athletics, and undergraduate activities. The Hill is a busy place, and it offers fields for the exercise of many diversified talents. The College should prove attractive to any man who seeks a liberal education, as a broad, solid foundation for his life work.

The undergraduates like this Hilltop. The alumni tell us that they love the College and the memories which they retain of their own undergraduate days here. We hope that our visitors will appreciate the love which Hamilton men have for their College, and that many of today's visitors will come next fall to enter our ranks.

Alumni News

It is a popular opinion among Hamilton men that **Hamilton Life** should represent this college in all phases of its activity, from the various interscholastic speaking contests of the subfreshmen through to the doings of the oldest alumnus. It has always been the policy of this paper to endeavor to present this news of Hamilton College completely and adequately. But **Life** remains in the hands of an undergraduate management. This management can handle the undergraduate news more or less adequately, but it is unable to handle alumni news properly unless it has the active, hearty support of all of the alumni.

Hamilton's alumni are scattered over a large portion of this continent, and a number have gone to foreign countries. **Life** can never through its undergraduate staff keep sufficient watch upon the doings of the alumni. The undergraduates never see many of the publications which from time to time contain interesting and important accounts of the activities of the alumni.

An examination of the recent issues of **Life** will illustrate this. The issue for April 20 contained one column of alumni news, that of April 27 two columns, that of May 4 one and two-thirds columns, and this issue contains one column. When page two of this issue went to press, we had placed upon that page every alumni item which we could secure. Most of these items had been gleaned from various newspapers by the freshmen competitors. The issue of April 27 contained a long account of the forming of the new Southern California Hamilton College Alumni Association, not because any of **Life's** staff was fortunate enough to see the Pasadena (Cal.) paper which printed the account, but because two different alumni who attended the Pasadena dinner very courteously and loyally took the trouble to send a complete account to **Life**. From the two accounts we were able to print an adequate story.

We ask for more alumni contributions. Thus far, the present management has not received any alumni letters. It is a regrettable fact, if the twenty-eight hundred or more alumni of the College are to be represented in the college newspaper by only one column of news. If the alumni will simply clip and mail to **Life** all the items about Hamilton men which come to their attention, we shall be much better supplied with alumni news than we are at present. If any alumni, in addition, wish to contribute criticism, appreciation, or suggestion in the form of letters, we shall be glad to print such letters as far as space permits. **Life** needs the assistance of every Hamilton alumnus in its news gathering.

Hamilton in China

Dr. Wood of the Faculty recently made an appeal in morning chapel for further contributions from the undergraduates to provide for the support of Paul M. Hamlin, '19, Hamilton's representative at Yale-in-China, during the summer months. Dr. Wood stated that the depreciation in American exchange, combined with the increased cost of living all over the world, has rendered necessary the raising of more money than was originally required for the proper conduct of this movement.

Such money as the Hamilton in China Movement needs should be contributed at once. Mr. Hamlin is giving two years of his service free. The influence of Hamilton is broadened and extended by his work. Hamilton College operates thereby in an international educational sphere. Mr. Hamlin deserves the thanks of the undergraduates and also their earnest, hearty support.

Doctors Prescribe John's CASCARA Compound Tablets for Constipation

They have been prescribing them for years. Ask any prescription clerk...

John's Cascara Compound Tablets are the ideal agent for overcoming habitual constipation. IDEAL because they contain no irritating cathartics which apply the whip to the intestines, weaken the system and end by aggravating the very condition they were intended to relieve.

The gentle, thorough, laxative effect of Johns' Cascara Compound Tablets is due entirely to Johns' concentrated and refined extract of Cascara Sagrada, the "sacred bark" of the Aztecs, who knew its value in correcting constipation—the source of so much sickness and discomfort.

They relieve flatulence, nausea, vertigo, water brash, constipation and loss of appetite. They remove greasiness and sallowness of the complexion. They are a most efficient remedy for bilious attacks and sick headaches.

A Johns' Cascara Compound Tablet taken at night insures in the morning a natural and complete evacuation of the bowel contents. The continued use of Johns' Cascara Compound Tablets can be nothing but beneficial. Price, 25 cents.

SYRACUSE TEAM DEFEATS HAMILTON

Buff and Blue Nine Loses to Visitors Through Infield Errors and Opponents' Timely Hits—Good Game Pitched by Schwartz.

PRITCHARD HITS WELL

The second defeat of the season was scored against the Buff and Blue baseball team in the game with Syracuse Wednesday afternoon. Syracuse won, 7 to 4. Until the beginning of the ninth, the game was Hamilton's, but in the final inning several errors by the infield and some timely hits brought in four runs for the visitors. Errors on easy balls and bad throws by each team marred the game considerably. Both teams hit well, while both Schwartz and Abbott pitched good ball.

Malone of Syracuse, the first man up against Schwartz, knocked out a three-bagger. Brown's hit to center field brought the first run of the game in and left him on second base. The Syracuse team was retired without further scoring. In the latter half of the same inning, several infield errors and a hit by Gorman evened the score.

Neither team was able to score until the third, when Stedman was touched for several hits which were fielded poorly by his teammates. Campbell drove out a clean hit and stole second. Johnson sacrificed, advancing Campbell to third. Pritchard hit to the field, bringing in a run. Gorman knocked a liner over third base, advancing Pritchard to second. Errors by second and third base brought another run in, with a man on third. King bunted and got to first when the pitcher and second baseman collided in fielding the ball. Clarke hit a single to the field. Coughlin made the most sensational play of the game when he caught what appeared to be a sure hit for Davis. The side was retired by Schwartz's pop to the pitcher.

The Syracuse team scored one run in both the sixth and eighth inning, making the score 4 to 3 at the beginning of the ninth. Schwartz seemed to have the game well in hand at the beginning of the inning despite the hit made by Abbott. Malone struck out. Campbell made a wonderful stop of a sure hit through short and threw to second. King dropped a perfect throw, leaving a man safe on first and second. Brown received a free pass to first base. Fallon hit over second base, driving in two men. Gorman muffed Pritchard's throw from the field, letting in another run. Ingalls hit to left field for two bases and came in when Clark dropped Coughlin's fly. The next two men flied out to Moffat. Hamilton was retired in short order without scoring. Score, Syracuse, 7; Hamilton, 4.

Pritchard starred for Hamilton. His average of four hits out of five times to bat is excellent. Despite numerous minor injuries, he managed to move about the bases at a good rate of speed. Clarke in left field made several good catches and landed on the ball for two safe hits. With good support, Schwartz would undoubtedly have won his game. He kept the ten hits which were secured by the Orange well scattered throughout the game. At present, Gorman is suffering from a badly injured wrist. Unless his recovery is speedy, several changes in the team will be necessary. Davis will probably resume his position of last year as backstop and Barry or Ritterbush will play regularly in the right field position.

TENNIS MATCH WITH COLGATE

The tennis team will travel to Hailton Monday to play a match with the strong Colgate team. Very little outdoor practice has been held, but the various members of the squad have been making use of the gym and an indoor court in Utica. Colgate also has been hampered by poor weather conditions, and the chances are good for a Buff and Blue victory.

CHARLATANS CHANGE DATE

An important change is announced in the date of the Clinton performance of "The Witching Hour." The play will be presented by The Charlatans on Monday night, May 17, instead of Tuesday night, May 18, as was previously announced. This change of date was necessitated by the meetings of the various crowds held on Tuesday. The performance will be held in Scollard Opera House. I have my heavy underwear on."

TODAY'S TRACK MEET

Victory Hoped for in Track Meet With Trojans.

This afternoon the Buff and Blue runners will meet their first adversaries of the year when they compete with the R. P. I. track team. Little or nothing is known about the Engineers this year and the result is doubtful. R. P. I. secured third place among the colleges of her class in the Penn relays a short time ago and this seems to point to strength in the mile and half-mile.

Two years ago the meet between Hamilton and the Trojans resulted in a tie, due to R. P. I.'s strength in the field events. This year the Buff and Blue is much stronger in the weights than it has been for some time and the sprinters are much better than those that ran against the Red team two years ago. Unless the Engineers have a considerably stronger team than the aggregation that tied Hamilton in the last meet, victory should rest with Captain Couper and his men.

The recent trials which have been held in track show that there is excellent material in college for the best track team that Hamilton ever had. The team, as yet, has not reached the high standard set by last year's runners, but the season is still early. R. P. I. has had the same poor weather which has held up track work here and the chances seem more than even that Hamilton will start its track season with a victory.

YALE WINS AIR MEET AT MINEOLA

Entry of W. S. Calkins, Hamilton, '20, Filed too Late to Secure Plane—.. Williams Wins Second Place —Princeton and Columbia Tied for Third.

FIFTY AVIATORS FLY

William Sidney Calkins, 1920, Hamilton College's representative at the Intercollegiate Aerial Field Day, held yesterday at Mineola, L. I., was unable to fly because the Hamilton College entry was filed too late to secure a plane. The undergraduates expected that Calkins, if entered in the air meet, would win several points for Hamilton, since he served as an army aviator in France for about two years, commanded a bombing squadron, and won the War Cross.

W. S. CALKINS, '20

The meet was held under the auspices of the Intercollegiate Flying Association, the American Flying Club, and the Army Air Service. Planes were loaned to the contestants by the Government.

The College learned Tuesday of the proposed Aerial Field Day, and, at a college meeting held after chapel, the undergraduates voted to send Calkins to Mineola and to pay his expenses by an undergraduate tax. Calkins left for Philadelphia, intending to leave there Thursday night for Mineola.

A telegram from New York Wednesday night staed that when Hamilton's entry was received, the entries had already been closed, because of the scarcity of planes. Some colleges already entered were prevented from participating.

The meet was won by Yale, with a total of nine points. Williams was second with six points, and Princeton and Columbia were tied for third with five points each. Fifty aviators flew in the different events.

One aviator fell with his plane and was seriously hurt. His mechanic was uninjured.
